

NCLP60T product information sheet

The NCLP60T is an easy-to-install tilt mount designed with innovative features, making it ideal for medium thin-profile TVs, including LED and 3D TVs. The New Classics Series puts a fresh spin on an old favorite, providing fixed, tilt and full motion mounts with improved functionality – not to mention a new clean design.

Product Benefits

- Integrated compound tilt allows for low 1.1" (27mm) mounting with maximum tilt
- Exclusive Level n' Lock™ feature for post-installation screen leveling and safety
- 0.38" (10mm) post-installation vertical adjustment for precise panel placement
- Tilt up to +10° to reduce glare
- Low-friction rail hook pads for smooth lateral on-wall adjustment and reduced vibration
- Safety clip with pull cord secures vertical rail to wall plate (pull cord can be hidden post-installation)
- Small footprint provides ample room for power and A/V cutouts behind TV
- Single wall plate allows for quick installation
- Kickstands support TV off the wall for hassle-free wiring
- Universal rails for greater VESA compatibility

The NCLP60T's integrated compound tilt allows for a low 1.1" (27mm) mounting profile with maximum tilt.

800.MOUNT.IT (800.668.6848)

- Ideal for ultrathin TVs with bottom- or side-loading connectors
- Eco-friendly product design and packaging
- Includes complete hardware kit
