

PTS 1223 TabLock for iPad Pro 12.9

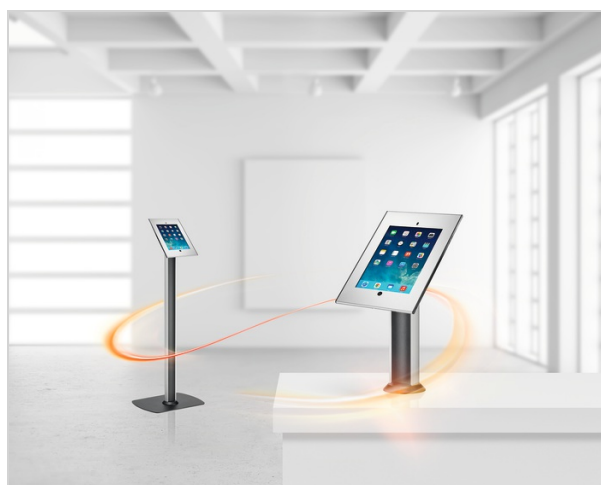

Article number (SKU) 7495324
Colour Silver

More and more tablet PC's like the iPad are used for public applications in retail shops, museums, showrooms and exhibitions. Vogel's Professional has developed a secure enclosure for the iPad Pro 12.9 called TabLock. TabLock prevents theft and unauthorized operation of the tablet.

Made out of high quality aluminum and steel we designed a stylish and slim enclosure which protects the iPad in public environments. The Secure TabLock enclosure can be mounted directly to the wall, or via de VESA 100x100 mm mounting holes to any Vogel's VESA compatible mounts. Quick and easy opening of the secure TabLock enclosure is possible thanks to the new unique locking mechanism using a key and lock.

Third party software can be used to switch on/off the home and menu buttons.

Vogel's Professional regularly develops new Tablocks, please check our website for the latest information.
